New Business:

Looking over the township Comp Plan – thinks it needs to have a spot in it talking about density.

Knife river did not remove the gravel from the Davidson pit by their deadline. 12 yard load is \$93.00 (\$7.75/yard), Brad Rootkie figures approx. 4000 yards left. Brad told Tom they would extend our contract for our supply of gravel in the pit. They will not sell us the whole pile of gravel left by Knife River it will be a first come first serve basis till depleted. Gerald made a motion to buy as much gravel as we can as we need it from the Knife River pile in the pit. Tom seconded and the motion carried.

The park in Beroun that is owned by the township but maintained by the Flames club needs some TLC due to the number of weeds taking it over. Gerald asked Eric if they could pull up the ties except around the digger portion to help with the maintenance.

Old Business:

Zoning:

John issued a site permit for Xiong on the 54 frontage road, they were kicked out of sons home and have been staying in the treehouse and it is too windy. They are planning to bring in a 10x20 tiny home. John advised them to contact Pine County because they would need a sewer to pass before proceeding. Pine County told them a temporary holding would be sufficient.

Motion made by Gerald, seconded by Deb to adjourn the meeting at 8:29 p.m. Motion carried.

Respectfully submitted,

Stacy Hancock
